CONFIRMATION of WORSHIP for RECEPTION ADMISSION (**Determined for 2024 entry**)

It is the responsibility of parents to ask their clergy to send this form directly to the school in confidence by the closing date to support applications.

The CoW should be returned by 20th January, or at the very latest, by the time governors are required to rank applications. If not, the governors will apply their admission arrangements using the information submitted on the Common Application Form only, which may result in your application being given a lower priority.

The parent/carer is responsible for ensuring that the clergy returns the form to the school by the relevant date.

We have received an application for the following child to be admitted to Christ Church School, Chorleywood. Our admission criteria consider how long his/her parent/carer has continuously worshipped at Christ Church and/or another Christian church. We would therefore appreciate your assistance as clergy of the church where they previously worshipped by confirming their statements through completion of the following form. Thank you.

Child's full name: Date of birth:

Parent/Carer name:

When did a parent/carer start to worship* at your church? Date:

When did they cease to worship* at your church? Date:

TO BE COMPLETED BY APPROPRIATE CLERGY ONLY:

* NB 'Worship' means attendance at services at the relevant church of at least twice-a-month for a minimum of one year before the closing date for applications.

The period of particular interest to us is **the previous year leading up to the closing date for applications (a period of one year)** when churches were open for public worship only as follows:

If during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

In the case of Christ Church Chorleywood alone, attendance at services includes helping with Sunday morning children's groups at least twice-a-month for a minimum of one year before the closing date for applications.

'Parent/Carer' means any person(s) with *parental responsibility* for the child/applicant.

**Upon completion of this form, please also attach a copy of your official headed notepaper.

I confirm the validity of the dates provided above (as modified by any comments above).
